ARRIVAL & DEPARTURE OF STUDENTS POLICY

RATIONALE
This policy has been established to ensure the School provides a safe environment for families/children when arriving and departing the grounds.

PRINCIPLES
1. Staff owe a duty of care to their students
2. Parents are an important part of our school community and play an essential role in ensuring students arrive at, and depart from school safely.
3. The School promotes social strategies that encourage walking, cycling and the use of public transport.
4. The School values its positive relationship with neighbours and seeks to work in harmony with them.

PARKING AND DRIVE-THROUGH
• In accordance with the Education Act 1999, children in Pre-Kindergarten, Kindergarten and Pre Primary are to be delivered and collected from their class by an adult.
• Students in Years 1 through to 6 are encouraged to use the drop-off points at the front and back of the school and also the underpass, leaving the parking bays available for Early Childhood parents.
• Teachers supervising school activities on the oval after school will not be responsible for other students or siblings on the adventure playground.
• Parents are reminded that council parking laws must be obeyed and fines will be issued by the Ranger for unlawful parking.

PARKING – FRONT CARPARK
  o NO PARKING in the yellow parking bays after 2:30pm as marked on the map.
  o NO PARKING on kerbing at the end of the carpark where cars are exiting.
  o Cars enter the car park off Camberwarra Drive and form two lines of traffic past the church.
  o Cars move forward in two lanes until they get to the front of the queue where duty teachers will direct students to the cars. Cars then merge into one lane to leave the car park.
  o Students must watch for their car and be waiting when it reaches the front of the queue.
  o Students are not allowed to make their way to cars and parents are asked not to leave their vehicles whilst in the queue to collect students themselves.
  o Students are supervised outside the office until 3:20pm. Remaining students are then asked to sit outside the admin until they are collected.
  o No students are to play on the oval or adventure playground unless supervised by a teacher or parent.
