STUDENT MANAGEMENT POLICY

At Whitford Catholic Primary School, we strive to offer a safe and secure environment where these values can be developed in an atmosphere of faith and trust. DISCIPLINE AT CLASS LEVEL

It is the responsibility of each classroom/specialist teacher to negotiate their own rules and principles of how children are expected to behave in that classroom so that a positive, fair and harmonious atmosphere is created. All children contribute to the decision making process in devising classroom rules and hence must accept the responsibility of adhering to them. Class rules should be displayed in the classroom. The discipline and management of behaviour at a class level is the responsibility of the class teacher.

Inappropriate behaviour is dealt with by the class teacher in consultation with the student, with appropriate consequences assigned. Parents will be informed of repeat occurrences. In addition, repeat occurrences or behaviours of a serious nature will be referred to the Principal.

NOTE: At all times the teacher’s discretion will be necessary due to individual circumstances.
DISCIPLINE IN PRE-KINDY, KINDY AND PRE-PRIMARY

The Early Childhood section of our school (Pre-Kindy, Kindy and Pre-Primary) recognises that behaviour reflects the child’s developmental stage. With this in mind, the staff will deal with behaviour on a classroom level. Teacher discretion will be used in each situation based on the severity of the behaviour, history of behaviour and individual circumstances. Parents will be notified when behaviour is not rectified to an acceptable level.

Behaviours likely to result in time out could include:
- Hurting others or being physically rough
- Throwing toys, sand, etc.
- Disrespecting property
- Disruptions at mat time
- Bullying
- Fighting
- Teasing

Time Out Procedure
Children in PK, K or PP will be given 2 verbal warnings, followed by a 5 minute time out in a designated area. At the end of the time out, a staff member will speak to the child about the behaviour and better choices they could make next time. At all times the children are visible and fully supervised.

DISCIPLINE AT YEARS 1-6 LEVEL

Behaviour Slips
Each duty file will contain Behaviour Slips. These slips will be issued for inappropriate behaviours as listed or other inappropriate behaviours. If a student receives a Behaviour Slip they may be required to attend Time Out for a minimum of 5 minutes. The total time is at the teacher’s discretion.

Time Out Locations
Oval / Adventure Playground – area at the top of the oval.
Quad – seats outside the Computer Lab.

NOTE – An alternative immediate consequence may be issued if considered more appropriate, depending on the individual circumstances of the child.

For more serious inappropriate behaviours, further attention may be required by the Cluster Leader or the Principal. This will be indicated on the slip and then sent to the Cluster Leader so it can be dealt with as close as possible to the incident.

Depending on the severity of the behaviour, the student may receive a detention or alternative consequence if deemed necessary by the Principal or Cluster Leader. At all times discretion will be necessary due to individual circumstances. Parents will be notified of the action taken. Detentions will be supervised by the Cluster Leader or the Principal. During this time the students will be required to reflect on their behaviour. A note informing parents will be issued for repeated inappropriate behaviours, after consultation with the class teacher, indicating that further consequences may result (eg lunchtime detention, parent meeting) if their child’s inappropriate behaviour continues. If a child continues to exhibit inappropriate behaviour and is not responding to strategies recommended by this policy, the Cluster Leader and child’s class teacher will convene a meeting to determine if the child should be referred to the Pastoral Support Team for intervention. This will be done in consultation with the child’s parents and the usual procedure of referral should apply.
PROACTIVE MEASURES

Within the school curriculum there are specific learning activities and incidental opportunities for education in this area. Much of this will occur through Religious Education, Health Education (Program Achieve, Friendly Schools and Fun Friends for Life programmes) and through collaborative learning. On a regular basis, there will be a whole school focus on particular school rules where the students will be encouraged and reminded to behave in an appropriate manner.

As a result of this whole school approach the students will develop the following:

- problem solving
- conflict resolution skills
- collaborative learning skills
- assertiveness skills
- higher self-esteem
- mediation skills
- peer support skills

POSITIVE REINFORCEMENT

- Teachers will give raffle tickets to students displaying appropriate behaviours within the classroom and out in the playground.
- Raffle tickets will work in conjunction with the classroom management strategies employed by each class teacher.
- All tickets will be placed in a class box by teachers.
- At the fortnightly Monday Gathering, a ticket will be drawn from each year level box and the student drawn will receive a reward.

SUSPENSION OF STUDENTS

Suspension means temporary withdrawal of a student’s right of attendance at the school. It is a disciplinary measure which may be invoked by the Principal, where a student’s conduct and behaviour are deemed to be prejudicial to the good order or reputation of the school. The Principal will discuss the proposed suspension with the parents of the student involved. A student should, generally, not be suspended from school for more than five consecutive school days, at any one time.

EXCLUSION OF STUDENTS

(Ref: CECWA Policy Statement Exclusion of Students for Disciplinary Reasons.)

Exclusion means total withdrawal of a student’s right to attend a particular school, i.e. termination of enrolment. Exclusion is an extreme disciplinary step reserved for cases of gross misconduct, serious breaches of school rules, or behaviour that is persistently disruptive or contrary to the mission statement of the school. Exclusion is a sanction to be applied as a last resort, normally after all other measures have failed. Careful consideration shall be given to the overall good of the individual student as well as to the welfare of the school community. The decision to exclude a student shall be the responsibility of the Principal. The Principal or the Principal’s delegate shall undertake an investigation based on the merits of the matter by providing a fair and unbiased hearing of the parties concerned. No exclusion shall proceed unless the procedures outlined in the CECWA Policy Statement Exclusion of Students for Disciplinary Reasons have been adhered to.
